“ My condolences for the loss of your mother. If I have the right person, she was a patient at North Port Rehab. I met her briefly, but liked her immediately, as she was so kind to my 96 year old mother who was her roommate. She kept her informed of the time, and the schedule of everything going on. She spoke to me about her wonderful son and daughter n law. She simply had a sweet spirit about her. Bless you all, Tonda Laubenstein

Yes, this is the right person. Thank you for the kind words--my mother was one to try to help whomever and however she could.
