“ *Even though I was not apart of my aunts life I remember her as a loving devotional woman to us when I and Doreen were little. May she be remembered as my fathers loving sister and our aunt. May God and his angels keep her family blessed and rip dear wonderful loving lady.*

We will miss you dearly.

“ I was broken hearted to hear of Sheila's passing. I certainly did not have the Figenskau family in my life long enough. The first time that I met Bob and Sheila they made me feel loved and welcome. Sheila's warmth, thoughtfulness, honesty,intelligence and sense of humor were legendary. The world has lost a wonderful person and God has a great friend by His side. My sincerest sympathy is with Bob and the Figenskau family. Sheila's love will remain with you and everyone that she loved forever. God Bless you.. Love, Maureen O'Gorman

“ Gadzooks. My memories of Sheila go back about 36 years(longer?)and to sum up her impact and anecdotes would be a small book,(a best seller no doubt)but I will share one of the most meaningful lessons my children ever learned from her. She put a "special" chemical in her pool that makes your tinkle turn purple so that everyone can see if you pee in her pool. 'nuf said. Love you long time lady. OXEN
