“ *Karen, Tom, and all: I am so sorry to hear of your mom's passing. She had a long and brave fight and while I am so very sorry that she isn't here with you hethaly and well I think we all know for a fact that she is in complete and utter joy and bliss right now, free from the struggles and pain that we her constant companion for a long time. It is a blessing to know without a doubt that she is with the Lord and that you will be with her again someday. I cannot imagine the pain of losing a parent and hope you know that we are here for you for anything you need now, or will need as you go forward. Our prayers will continue to be with you.*
