

Shirley Jean Ronian

December 23, 1927 - August 30, 2015

Shirley Jean Ronian departed this world August,30 2015. She has gone to join her beloved husband and mother. She is survived by her sister, four children, nine grandchildren, and 1 great grandchildren, and 7 great, great grandchildren.

Shirley had a wonderful life full of love and laughter. She cherished her aunts, uncles, and cousins. When she was younger, she hosted family dinner every Sunday afternoon at our home in the country. The house was full of her family, aunts, uncles, and cousins.

Later in years she would sew amazing clothes, make beautiful quilts for her children and a few grandchildren.

She enjoyed working in her yard and it wasn't very often that you would see her without a rake in her hands. The family often joked that they would bury her with a rake in her hands.

Shirley fell victim to Dementia and fought to remember the people and places that she loved. Although the disease took over and she couldn't remember anything towards the end, she did pass quickly and did not linger in pain.

She will be missed by many and will forever reside in our hearts and memories.

“ Donna, Ronnie, Sherry, and Joanie,

I am so sorry for your loss. I will always cherish the memories of fun and laughter and the times spent at your house and playing in the creek out back. They were times filled with good food, loving family, and lots laughter.

You all are in my thoughts and prayers.

“ Donna, Rich, Sherry and Joanie,

I will never forget the great times we had as kids at the old house in Vigus. The holidays were always great. Aunt Shirley's turkey and canned green beans were the best at Thanksgiving. Bar-B-Qued pork steaks by Uncle Dick and my Dad were super.

A great lady will truly be missed.
