

Shirley Lou Tarman

November 29, 1941 - February 14, 2024

Shirley Lou Tarman (Fisher) passed away on Valentines Day Feb 14, 2024, at home with her family in Arcadia, FL.

Our mother was born Nov 29, 1941, in Cleveland, OH. In her lifetime she lived in NE Ohio, Buffalo, NY, SW Florida and eventually settled in Arcadia, FL in 1983. She was married to our father on April 8 1960 in Painesville, OH. Her life took her across the country and outside the country to Bahamas and Mexico. She loved to play cards, was fluent in ASL and was always up for a game of Scrabble.

Mom was many things during her long life-daughter, sister, mother, homemaker, a listener, employee, dreamer, and a realist. Life was not always easy for her, but she found a way to live with the shortcomings of her situations and find happiness in her children, friends, and her husband. Her unselfish being is a lesson to us all that

everyone should be more considerate, caring and giving of themselves. Life is short and those we love are here for only a moment. Making that moment count is what she would want. We will miss you mom.

We will celebrate the life she chose to live, never forgetting the beauty of her soul. She will watch from above, shining her light and love upon us always. Time and her spirit will help us find our smiles again. We love you mom.

She was preceded by her parents-Margery Beth (Hansen) & Harold J Fisher and her son Michael James Tarman.

Our mom is survived by our father, Roy Faulkner Tarman-Arcadia, daughter Deborah Ann Martin (Walter)-Cambridge, OH, son Roy Charles Tarman (John M Lopez)-Durango, CO, daughter Kimberly Ann Tarman-Arcadia, FL, daughter Shirley Ann Tarman-Apopka, FL, her sister, Sally A Manson (David)-Cleveland Hts, OH, grandchildren-Joshua Michael Knellinger, Natasha Michelle Schultz, Derick DeWayne Martin, Jason DeWayne Martin, Michael James Tarman II-Cullman, AL, Amanda Marie Tarman-Punta Gorda, FL, Jessa Lynn Tarman-Cullman, AL, Jacob Charles Tarman-Pt. “ Shirley, my sister from a different mister! I could write a book about our times together. We married brothers, we raised our families together. We cried and laughed together over everything life handed us. We grew apart in the last ten years only because it was hard for me to travel and impossible for her. I loved her great smile and those devilish snapping eyes. She always took extra care in her appearance and looked like a fashion princess.. we spent hours playing cards and scrabble. In our younger days I would put pin curls in her hair so she would look great when her hubby Roy got home from work. She always put me in the mind of Lucy when the occasion arose to be silly. Then there were the bingo games we went to. She loved a good bingo game. Shirley, my beautiful sister in law I love you and will miss you. I send prayers that God will help your family deal with your passing. Now you can spend time with your Mom and Dad and Micheal. And if you see Chuckles tell him I say hi and I miss him.
