Simone Williams

Ordained Evangelist of the Gospel of God

Autobiography

27 January 2021

Being the eldest of three children, I was born in the parish of Kingston, Jamaica. At the tender age of three, my parents migrated to the United States of America, where we resided in New York for a short period of time. After this, my parents moved us to Newark; New Jersey and I spent most of my life in Orange Jersey . During this time period, I had gone through many challenges, so many ups and downs, but the Lord was right there with me, literally helping me to fight for my life in miraculous ways.

These awesome experiences inevitably drew me even closer to Christ. My mother; Pastor Jennifer Williams, being the ardent, committed, praying mother that she always is, was right there with me, interceding in penitent, heart wrenching ways. She wouldn't just let her precious, first born child that was created with a special purpose, be prematurely swept away by the adversary, so constantly she prayed and the Lord brought me back to life, for we had great faith in our Lord and Saviour Jesus Christ. He says in His word that if we have faith as small as a mustard seed, we can say to this mountain, move from here to there, and it will move. Nothing will be impossible with you. I

glorify Him for moving the mountains of illnesses and death and replacing them with life more abundantly.

I got as it were, one of my greatest of experiences, when I gave my life to Jesus, totally and unreservedly, in the year 2015. It wasn't until the age of thirty four, when I relocated to Lehigh Acres, Florida, that I truly realized what purpose is, after I would have gone through what He carried me, as was aforementioned. Soon I was overwhelmed with the joy that the Lord had imparted and imputed on me. I wanted to share and spread it so gleefully.

Now He uses me to share His amazing love, to encourage, empower, uplift, intercede and also live and share the principles offered in His Holy Word; the Bible.

Though the humble, yet proud owner of an Associate Degree in Health Administration, my greatest joy is to do His work and to use the talents He has blessed me with in ministry. I now serve in ministry at the Saviour's Place Church of the Living God, where I am an Ordained Evangelist. I am also the Founder and President of "God's Leading Lady with Purpose and Destiny," a powerful group of ladies called and divinely hand-picked to do mighty exploits for the Master, even as we encourage, empower, pray for and minister to each other, and on behalf of each other's families and friends.

Being in the presence of the Lord uplifts and secures me, otherwise I feel so empty, and hence my favourite text; "Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever." Psalm 23:6.

For the future, my greatest intention and major objective is not only to abide in the wonderful presence of the Lord, but to keep living for Him and sharing His love with others near and far, so that they too may bask in the beauty of what

it is to live for Jesus for that's what really matters. “

These words are from Simone herself. This was typed on her birthday 7 months ago. Our dearest Evangelist, She will Surely be Missed!
