“ I was very heartbroken when I heard the news, but I am grateful that my daughter was able to play with Sophia at Oliver's bday party. I thought it was very sweet how they got a long and how Ciara wanted to have the same heart slap bracelet as Sophia. I also thought it was funny when Sophia tried to teach Ciara had to play piano. That was very sweet of her. I know that you will miss her very much but I am very grateful to say that I am glad I got to meet your miracle baby and that while her life may have been cut short, the memories you have of her will be treasured. I pray that God will comfort you and heal your hearts during this sad and confusing time. If there is anything you need, if I am able to help, I would be glad to be there for you. My heart goes out to you and i will see you soon.

“ Although I had not seen Sophia in over a year, her memory brings joy to my heart. What a beautiful daughter with such a fun spirit. My fondest memory is sitting on the floor and patting her back at nap time and our little talks. She will be missed. May God wrap you in His arms at this time and we all are at a loss right now.
