“ *Stella was a wonderful person to work with. I love her alot and wish I could have spent some time with her before her passing as I miss her so much. When she worked for Gould & Lamb she baked all the time for us and when she left she was afraid we would all go hungry so she continued to send her wonderful goodies to us via Melanie. She is loved and missed more than words could ever say.*

“ I had the pleasure of working with Stella at Gould & Lamb for about 4 years. She was always such a kind, gracious and good-hearted lady. She showed those she cared for her love through her baking and that's the quality that was uniquely Stella's. My deepest condolences to her family as I know her G&L family will miss her dearly.
