STEPHEN PAUL CORDELLI

MARCH 7, 1955- FEBRUARY 5, 2021

Beloved Husband to Marie Cordelli

Cherished son of Nazarene and Regina Cordelli

Brother to Dominick and Milly Cordelli

Uncle to Maria, Kathy, Sharon and Paula

My Beautiful husband, Stephen Paul Cordelli loved so many things..... God, the Yankees, airplanes, all sorts of music, travel and of course PIZZA!

We loved nothing more than just walking hand in hand along the Sanibel shoreline watching the birds antics. Sometimes this past year God sent manatees and dolphins to greet and give us glee!

He changed and improved my life. He continued to shield me all the way to the end even though he was suffering.

No being other than my Mom has ever loved me so unselfishly or completely, as my Steve. I truly believe that the universe dimmed this week but the night sky lite up with his radiance adding fuel to the stars upon which he loved to gaze.

Baby, we have had a wild ride these past 6 years..... more than a lifetime.

I hoped, prayed, begged, groveled, pleaded, cajoled, repented, threw myself down for mercy.

I thought the devil COVID might loosen it's grip on my beautiful husband but

he just dragged him down again and again. He fought long, hard and proudly. His brother Dom, the Marine, could not have been prouder.

I, his wife, was shocked at the brutal battle I witnessed, thankfully I was at his bedside the last week.

I believe he knew I was with him. I told him all our Union Family was cheering him on. I believe he gave me 5 weeks to learn how to stand alone on my own again.

I believe he relented to shield ME from any further horror at his agony.

I believe that there is not any better man standing today and that there is a huge gapping hole in my heart and in the universe that will not be healed, anytime soon, or if ever. The COVID devil has decimated my heart along with my soulmate's lungs.

I lift up my Beautiful Husband Stephen Paul Cordelli. I am lost without you, my Tutti.

That the Father may be glorified in the Son.

Please continue to guide and stay with me because I am still afraid and now lost and alone.

Love your Angel, Marie

(now you are the Glorified Angel, my Sweet, rest in heaven💕)

Life is what happens to you when you are busy making plans.

“ *I am so very sorry to hear about Steve's passing. I met Steve in East Meadow NY. He was a sweet and funny guy who loved TWA more than anybody. He was Godfather to my youngest son Michael. I only saw him once after we moved to Oklahoma but thought of him often. Ray Viel*

“ *I am just now finding out about this. I am very sad. A group of us went to see the Cards and Cubs play at Wrigley many years ago, although it seems like yesterday. Steve was with us that day. He was a wonderful man, and although I had not seen him in many years, I will miss him. RIP, my friend!*

My sincere condolences go out to you Marie. Steve was an genuinely great guy and coworker at AA. There was always some friendly bantering with he and I with his beloved Yankees and my Red Sox. He definately knew his stuff ! No doubt he has crossed that bridge and both he and your Mom are at eternal peace and watching over you. He will be fondly remember by all who knew him.

“ To the family I kneel in prayer with you and for you. For GOD came down and asked one of his own to come and sit by his side to live a better life. No pain, no heartbreak and no more sad days. I know the family heart is hurting but God is the healing and will mend your head and heart to join in happiness once again.

“ to a good friend & colleague, you will be often remembered & always missed

TWA wasn't the best job, the salary not great (give backs), pay raises were like water in the desert, not very secure & poor benefits BUT it was fun, & steve helped make it so, from snowball fights in the winter, to water balloon fights in the summer (some held-up out bound flts.) to our times on the ball field & those PHX torneys. the memories are eternal as is the rest you now have. God bless you steve. Till we meet again.
