“ *Steve was a good friend, that had a troubled sole. I tried in every way I could to help him see the benefits of a good life, but to no avail. He was thoughtful and helpful to me with his daily phone calls to discuss world affairs and to make sure each other was still breathing. I'm going to miss those phone calls dearly. I have many numerous memories of the things we shared in our lives. In the end, he did want to live. I hope he is at peace now and out of his pain. Bye, Steve, goodnight and I love you.*
