“ *It's 2 am on April 1st and you are weighing heavy on my mind and in my heart! Today is the day that you asked me to marry you! We were married 12 days later, ha ha. I remember my father asking me over and over if I was pregnant because of the quick engagement (no! I was not pregnant)But we did get a puppy => I really miss our late night chats Stevie Mikey! Savanna is will be turning 17 in a couple of weeks and I must say, although she looks like me, she has your mind. She amazes me! We both love and miss you! Happy Engagement Day!*

“ I just wanted to leave a few words about Steve. He was best friends with my sons Mike and Joe and practically my 3rd son, he was over my house a lot as a teenager! Steve was always very polite and used his manners around me all the time. It was never a dull moment with Steve in the house. I know the boys had great times together and Steve was a very good friend to my sons. He was a pleasure to have around. I know he is at peace now. God Bless.
Love, Miss Pat

“ I remember Steve for his famous cooking and when Steve and I went Sand \$ Diving. I remember all of those trips to the "mall" & spending that hard earned money on Clothes! He was such a great guy and very much appreciated in all that he did for others. He was loved by many. Always remembered and never to be replaced!
