

## Steven Robert Erickson

August 22, 1959 - March 14, 2020

Born and raised in Chicago, Illinois on Aug. 22nd, 1959, Steve was always fascinated with Ford and of course his obsession with Nascar made him a fanatic! Steve was passionate with building and fixing cars and computers. He truly was a simple man who also enjoyed Classic Rock music.

Steve could be stubborn but cautious – arrogant but modest – negative but trustworthy – and impatient but reliable. Despite his crusty exterior, cutting remarks and stubbornness – there is actual evidence that he was a loving, giving & caring person – that evidence is the deep sorrow and pain in our hearts. If you are wondering if you may have ever met Steve – You didn't because you would remember and we apologize as we are sure he probably offended you in some way. Despite his corny jokes and smart but usually right comments, he will be truly missed.
