“ My heart breaks and still doesn't feel real. I am glad that I got to spend time with you and Russ. I will always cherish our long talks, dinners, New Orleans, Mardi Gras, laughs and shenanigans. You will be missed deeply! Until next time, love always.

“ Hi,

I had the pleasure of working with Steve at Citrix He was such a great guy!!!. I remember talking to him about his dogs, running, and life in general. He always had some chocolates at this desk and I would walk to his desk to get a fix and have a quick chat.

Wishing you and him, peace.

“ *I am so sorry to hear Steve has passed away. I worked with him at Citrix. He had his hands full keeping the finance folks up and running on the systems. I am sure he felt frustration at times, as he picked up calls at all hours, but never showed it. Steve was such a nice, patient and fun person. I enjoyed working with him.*

Take care,
