

Sue Anne Elliot

December 15, 1955 - January 20, 2019

Sue Anne Elliot (Sutherland), age 63, passed away on January 20, 2019. She was born on December 15, 1955, in Toledo Ohio, to Irene (Main) and John Sutherland.

Raised in Toledo, Ohio, Sue was a graduate of the Sylvania High School class of 1974. Sue went on to cosmetology school where she made a career of doing hair for the past 40 years. Sue enjoyed her profession and was talented at it as well. She always had a gift for helping people and was loved by all who came into contact with her.

In 2007, Sue gave up her clientele and moved to Florida to be closer to her daughter and enjoy life long dream. Sue continued cutting hair at Sport Clips until she was diagnosed with Lung Cancer in 2013.

Sue was a fighter and despite the Cancer and numerous broken bones, she still attempted to cut hair and care for her one and only grandson, Domenic. He was her pride and joy. She would light up at the sound of his name. Sue and Domenic had a special bond that no one could break.

Sue is survived by her daughter Kristi Neroni and grandson Domenic, her son Jeff Golba, siblings Dave

Sutherland (Jeannie) Mark Scribner (Jerri), Matt Scribner (Sharon) and Diane (Scribner)Peterson and

several nieces, nephews and great nieces and nephews.

Sue was a kind, strong, and humble woman who touched so many lives

during her time here on earth.

She would not want us to mourn her passing, but want all of us to celebrate her life.

“ Sue, your bright smile and big heart will be deeply missed. Prayers & condolences for your family at this impossible time. I remember first walking into Sport Clips some 8 years ago and you greeted me with that sweet midwest charm and a fabulous haircut. We later became friends on facebook & in real life, and when you began facing enormous health challenges, I came to your home for an occasional haircut, when you felt up to it. In 2017 after hurricane Irma flooded my entire neighborhood, you and your church were there to help families remove their belongings, so the restoration process could begin. You were a very special, giving person and I feel lucky to have been a part of it and and having met your amazing daughter and grandson. RIP my friend, until we meet again...

“ Sue, this makes me so sad to read. Your beautiful smile and presence on earth will be missed for sure. I will miss you sending me messages on messenger asking about my kids who are friends to Domonic. With all you endured and suffered, you always managed to smile. Cheers to you for teaching us all no matter what life throws at you, keep your smile. We will miss you Sue!
