

Sue Faith Radebaugh

December 8, 1940 - December 19, 2024

She was born Sue Maloney in East Peoria, Illinois on December 8th, 1940 and died December 19th, 2024 at age 84.

Sue was a retired U.S. Postal counter clerk. She worked in different libraries in Peoria and Florida. She would also proof read the Sun newspaper.

Sue spent four years as a tour guide volunteer host in four remote different National Parks. She was a long distance runner and ran the Boston Marathon at the age of 52.

I, Harry, met Sue in 2000 in the Coastal Cruiser bicycle club; Sue's other family. We got married in 2009 and bought two homes, one in Englewood and one small trailer in the foothills of the Smokies in North Carolina. We traveled on our yellow gold-wing motorcycle coast to coast, and went hiking and tent camping in her favorite National Parks.

To most people reading this she was just another person, but I loved her and I miss her dearly. Parkinson's disease took her life.

Sue is survived by her husband, Harry; her three children Jerry, Neil, Lori, and their three spouses; brother Bob (Kathy); and eight grandchildren.

Sue, I'm not far behind you. Please wait for me. Till we meet again, may the wind always be to your back and godspeed.

A brief open ceremony will take place Friday, January 3rd, 2025 at 10am at Sarasota National Cemetery.

“ So many memories flood my mind right now of how my Aunt Sue has been so supportive in my life. She gave me great support when my own mother (her sister) died. She always lived life to the fullest and wasn't scared to try new things. She was my inspiration. She will be so greatly missed. I have always loved and was so proud to have the name "Sue" as my middle name because I was named after her.
