“ *I just saw this so it's been 3 years. I knew Susan Lanzetta back in the 80s, I was friends with her son Ron. Very nice woman, a BIG Elvis fan I remember. I actually bought my first car off her, burgundy Oldsmobile Cutless. I was short money and she just gave it to me for what I could afford. Rest in Peace, condolences to my old Ron, and the family. “ My mom Jan, my sister Pam and I also knew Susan from LRC. She could've been Ann Margaret's twin! She was a perfect fit for the recreation department...warm, welcoming and fun and her smile was contagious! She loved Jersey corn and tomatoes and mom would tuck some in her bag when going to Lehigh each year:-) Such a Queen fan...and over the moon about her night to see the Queen revival with the girls (I believe for her 70th birthday). We enjoyed Bohemian Rhapsody (her pick of course) one of the movie nights at LRC:-) Our thoughts and prayers go to her family...we have fond memories and will miss her. Cindi (McLoughlin), Jan (Atwater) and Pam (Bailey)

“ We met Susan every year when we went to the Lehigh Resort and became very good friends over the years. She was a remarkable person. So warm, friendly, caring, and generous with her time. Our grandchildren became the topic of many conversations. She was so proud of her Grandsons. I will always remember how much fun Susan made our indoor shuffleboard games. She was amazing dealing with many different people. We will miss her deeply. Our condolences to Susan's Family. Marty and Joan(Canada)

“ We send our deepest sympathies to Susan's family. Susan love to talk about her family that she loved so much. We went to Lehigh Resort every year in January and February. It was always a pleasure to spend time and talk with Susan. We would talk to and correspond with her by phone and email throughout the year. Susan was always smiling. She liked to call bingo and we loved to hear her call B4 in that New York accent. We will really miss her calls and emails and will definitely miss her at Lehigh. Susan was a great person.
