

Susan Lott Layton

January 28, 1960 - June 6, 2025

Susan Lee Lott Layton was born on January 28, 1960, in Hialeah, FL, to Lawrence and Marie Lott. She passed on June 6, 2025, in Fort Myers, FL, surrounded by loving family.

She is survived by her daughter, Liz Loredo; her son, Alex Layton; her son-in-law, Pierre

Loredo; her daughter-in-law, Claudine Germain; her grandsons – Leo and Lex Loredo

and Sebastien and Remy Layton; and her brothers, Bill and Doug Lott.

She is predeceased by her siblings Wesley, Chuck, Ada, Charlotte, and Kathy, and her fiancé, David.

Susie grew up globally, the second youngest child of a Naval officer. Her early education

took place on Naval bases, but she graduated high school in Grand Bay, AL, where she

met her lifelong friend, Wendy. After starting a family, Susie showed her indomitable

spirit by moving back to Alabama to finish her degree in Education at the University of South Alabama.

Susie's degree in Education was not just a certificate but a lifelong dream and

calling.

From the time she wore rhinestone cat's-eye glasses, she had a passion for teaching.

Whether she was showing 3rd graders how to perform long division, senior church

members how to use "the Facebook," or her children how to treat others, her gift and

impetus for sharing knowledge shone through.

Susie saw teaching as an act of giving: giving knowledge, giving chances, giving

solidarity, and giving joy. She knew that teaching was her gift, and she shared it as

such, but she also made a gift of herself in time, attention, and affection to anyone in

need. In honor of her lifelong commitment to teaching, her body has been donated for

study.

Susie was a member of Grace Presbyterian Church, where her Celebration of Life will

be held on July 19, 2025, at 2:00 PM.

In lieu of flowers, her children have asked that those who learned from Susie in any

capacity send stories or samples of their work to Grace Presbyterian Church.

The

sample writings and art will be displayed at her Celebration of Life.

“ She will always be "Sue" to me. One of my very best friends in high school and one of the most amazing people I've ever known. I'll never forget high school bowl, the bus trip to New Orleans for the Tutankhamun exhibit, the Halloween costume party, or playing Rhett and Scarlet in our own version of Gone with the Wind. Sue challenged my preconceptions and make me a better person. I will miss her. And I will always love her.

“ My cherished friend, Susie-she was always doing for others, and was always there for the joys and the sorrows. How I will miss her! Susie left a legacy of love for her friends and family, especially her beloved grandchildren, who were in her mind and heart every day. I know that Liz and Alex will keep her beautiful life and love alive for them. I will treasure my time with Susie always.

“ I'm so sorry for this loss. 💔 I loved Aunt Suzie and will miss her greatly. My memories of her are the best of my childhood, from being called Delchita, to her wonderful cooking, her marvelous acting in the Thanksgiving movies we used to make to even being taught some basic facts of life when she lived with us. She brought light and adventure to everything she did! Rest in peace, let Heaven embrace you, until we meet again. Sincerely, Darcie Hayes
