“ *I was shocked and saddened to hear of my Aunt's passing; when all is said and done there is an empty place with all of us. The memory of you will sustain us during the good times though you are not there physically; and I will smile at knowing you are there spiritually. You will always be remembered.*

“ *To My mother in law Susan Santangelo. (sang).
I was happy you moved from RI to Sarasota to spend time with your daughter and grandkids. The times were unforgettable and a lot of laughs were shared between all of us. Valentina and Luciana love their grandmother always. Valentina was just singing the song you taught her the other day. You will be missed greatly by all of your family and friends.*
