

Susan Jean Schafer

January 3, 1956 - February 16, 2021

Suddenly in the early morning of February 16th 2021, Susanne after months of battling with complications from heart problems, was taken by the Lord at the age of 65.

Susanne was born on January 3, 1956 in Pittsburgh Pa to Paul and Jean Aubele. (Both deceased)

she's the widow of Joseph Schafer also of Pittsburgh. She's survived by cousins Karen Gordon and Laurel Ohara. And her fur baby Pearl (cat) which she loved dearly.

Susanne was a retired loan office.

She moved to FLORIDA end of April 2012 which was a dream of hers for years.

She also leaves behind friends she considered family.

If you knew Susanne you know what a intelligent, strong willed, kind hearted woman she was. But if she called you a friend, you were truly blessed. She would do anything she could for you.

She was and always will be our friend, our sister Sue. She was a true believer in angels. I believe she is now our angel looking over us. RIP

You will be truly missed

“ *We use to talk about all kinds of things. She loved hydrangeas it was her favorite flower. We talked about cooking and things we wanted for our house. If you wanted an honest opinion Susanne was the one to ask. She was a strong, loyal and determined woman. If you was good to her there was nothing she wouldn't do for you. I still can't believe she's gone. Gone but never forgotten, your memory will always be a blessing.*
