Susie Star Martin (Brenda Sue Zolman), of Fort Myers, FL (originally St. Louis, Mo) passed away on November 6, 2021. She is survived by her daughter, Sara Marie Magrini, and preceded in death by her beloved husband John N. Zolman Sr. and son Gabriel C. Zolman. Susie lived for ministry services, including volunteer work and music- primarily singing and piano. She enjoyed spending time with family, as well as close friends Amy, Al, Pat, and Gail and researching her Armenian heritage. “ My dearest, lifelong friend Susie. I cannot even express the sadness I feel right now. My heart aches. Even though we are only a year and four months apart in age , you have been my mentor, my best friend in life and my confidant. No one on this earth can replace you. You are generous, loving, forgiving and you are a prayer warrior like none other. I wouldn't even need to ask for your prayers because you always sensed when there was a need in my life and you called to check in with me. That is God. I was so looking forward to our reunion in Florida so we could get together and reminisce about our childhood and family and make many more new memories. I know I cannot question God. His plan is not our plan. I do know that God and the angels and all our family members are rejoicing and are having a huge welcome home gathering for you. Thank you my special friend for everything. My only hope is to be half the Christian that you have been. There won't be one day that goes by that I don't have wonderful, cherished memories of you. I know you know that Sara means the world to Al and me and we will do anything in this world to help her, encourage her or to just be there if she needs to talk. I love you Susie and I will miss you immensely but I look forward to the day we meet in heaven. There is no need to say rest in peace because you are at peace in God's kingdom. Love you my sweet friend forever and always. Til we meet again❤️

“ I have so many memories of my mother, but I think my favorites are when we went on our “big fun adventures.” We had the best time exploring Captiva Island and Sanibel, photographing the lighthouse, collecting shells and an amazing lunch at The Bubble Room. I’ll always remember how giving and gracious she was to her family and friends, always putting everyone first. I’ll always remember how she had the best advice on any situation, and if there was a problem I was having we would talk it through and find a solution I hadn’t thought of. I like to imagine her playing the piano with my dad and brother and other dear family members beside her now in heaven.
