Suzanne Brickley (center back) celebrates Christmas 1985 with the Helgesens. Suzanne was our dear friend for 39 years and was the person who first introduced Marilyn to John in 1976 at the NSCPT Convention in Philadelphia/Cherry Hill. Suzanne the "matchmaker" changed our lives with that introduction.... (she wanted the girl from Georgia to meet the boy from Minnesota because Carter (GA) and Mondale(MN) were on the Democratic ticket seeking the Presidency. It must have been fate, because Jimmy Carter won the 1976 election and John and Marilyn have been together ever since. Suzanne brightened our spirits, was an awesome friend, and became a member of our family. We have so many great memories of traveling together all over this great country, attending football games, dancing at weddings, going to surprise birthday parties, meeting up at Elk conventions, gambling at a casino or two, and having fun together. Suzanne was truly loved by all the Helgesen family and we are so thankful that God brought her into our lives. Sweet Suzanne, the Susquehanna River Queen, so sorry we were unable to give you one last hug. Rest in peace.

“ My life was made better by knowing Suzanne and being in her company. Worked with her in California and through the time she retired. I will miss that comforting smile and arguing about the Philadelphia Eagles.

I had the opportunity to see her the Saturday before she passed. That smile was still there!

Suzanne brightened the lives of anyone she came in contact with. My family and I spent many happy times with her. Shopping at the KoP mall, Joint dinners, attendance at Eagles / Phillies / 76er games and mini-breaks at awesome locations (Lake Tahoe, Monterey, Mendocino, Mohonk Mountain). Suzanne was an essential guest at both of my children's weddings. I can't look at them without remembering her sparkling presence. Suzanne has been and always will be missed.
