“ *Suzanne was one of my best friends growing up. We had many memories of time spent together. Some of these were of ice skating together, giggling, sleep overs, playing street hockey and going to Woolworths for french fries. Her mom, Aunt Aggie would bring Danny over to swim on many occasions when my children were young. She was a loving and sweet person who I will dearly miss but am grateful to have made so many childhood memories with her. Rest In Peace sweet friend. My heartfelt sympathy to her family.*

“ Sue was a special person and a great and wonderful friend. We had so much fun talking and laughing every day for many years. She was like a sister to me and I love her so much. I miss her every day but heaven has received a sweet and loving angel. She was so very proud of her son and husband and spoke everyday of the love she had for both of them. With deepest condolences. Myself and my family are sad to learn of the loss of this always smiling, kind, generous, beautiful woman. We had many memorable times at the pool with a drink in hand with you both. Our chats while giving Sue a pedicure we always full of laughs while Dan was waiting on us. She will be missed and would want us to celebrate! CHEERS!

“ I only met Suzanne a couple times, but worked with Mark for years. She was a very personable lady and was devoted to Mark and Daniel. I know she was delighted by having a grandson. She will be greatly missed by her family. I wish them good memories only, so sorry for their loss,
