

Tanya Curi

June 27, 1956 - January 1, 2023

Tanya Elaine Curi passed away unexpectedly after a short illness on January 1, 2023 at the age of 66.

Our family was not expecting her life to be cut short so suddenly. We are all devastated by the loss and her laughter and quick wit will be greatly missed by all.

Tanya was born in Jackson, Michigan to Russell and Marilyn Enbody who preceded her in death. She is survived by her husband of 29 years, Michael Curi,

who loved her dearly, her sister Michelle (Shelly) Enbody, her brother, Mark Enbody and his wife Karla, her daughters Kimberly Christina (Chrissie) Austin and

Stephanie Dolan along with her granddaughters Autumn Minardi and Ashleigh Minardi and a number of other grandchildren, nephews and nieces. She leaves

behind Maxwell and Roxanne, her standard poodles who will really miss her cuddles.

Although Tanya was born in the north she was a southerner at heart. She had a

take charge personality and one day she decided to start her life over in Florida

where she could go to the beach and drive her car with the top down soaking

up

the sunshine. She loved to cook, especially fudge even when you had to eat it with a spoon!

She had many talents but excelled at home improvement projects. She and Michael remodeled their home many times along with other homes.

Tanya found her calling in nursing. She worked as an LPN at the Pines of Sarasota,

a senior living facility. She loved her residents and her care reflected how she felt.

She will be greatly missed by her residents and fellow employees.

We find comfort in knowing Tanya has been reunited with her mother, Marilyn, and all her fur babies that left before her. We can imagine that it must have

been

an amazing reunion.
