“ *Sent To Heaven*
Today is the day
That you were born
29 years years ago

I will send my wishes
Upon an Angels wings
She can fly them to you
So that you know
Even though you are gone
I am still thinking of you

Such a short life you got to live
Until the Angels took you home
It was such a horrible thing
That took you away

we are trying each day
To let you go and move on
We all are doing better
We are dealing with our grief
Some days are harder than other?s
Like today will be

But you will always been in our Hearts

So today on your Birthday
I want to wish you a very
Happy birthday to you
I will send my love and wishes
On a pair of Angel wings

So when you see that Angel
That is looking for you
Remember she has a message for you

*From one Angel to Another
She will whisper in your ear
Your family sends Birthday wishes to you
They love you and miss you too..*

We never got the chance to meet. But I was looking forward to it at your cousin Lisa's wedding.. my father & your mother were cousins..

You are now an angel and I know you will watch over your mother and sisters. Rest in Peace.

“ To all of Taras' family, friends and loved ones: our prayers and sympathy are with you. Indeed we share in your loss of an angel who truly became "angelic" FAR too soon. As we all grapple for answers and comfort at the loss of her; we should be reminded that she is SURELY in the loving arms of her beloved brother Jared and her father Normand. Likewise, she will always be in the hearts and minds of all those fortunate enough to have been touched by her life and her smile. A peaceful eternity to you Tara. May the Good Lord watch over you and yours.....
