“ *Dear Ginger and Family,
I was so happy to have spent some time talking with Terry at Anne's wedding.
Before that the many memories of the times we all shared with Mildred in the late 70's and forward. Super nice guy, always! His smile was contagious.
I have read his obituary many times in The News Leader and thought it was beautifully written in his memory. I know he will be missed by all.
I must admit, I drank a glass of fine wine (under \$15) in his memory.
Sending much Love and Peace to all,
