“ Dear Aunt Edie and Family, We would like to express our sympathy. Our thoughts and prayers are with you. Uncle Terry is a great man. I appreciated the support you showed our family when my dad passed away. I was happy uncle Terry could come to his funeral. We had a good time reminiscing. I was given a card when dad passed away. I would like to share it with you. "What you will always remember is the way he laughed, the stories he told, the guidance he gave...What you will always know is the friendship he shared, the sacrifices he made, the example he was. What you will always feel...is his love. I appreciate the article Uncle Terry wrote after dad's passing. I still have it in my scrapbook. He is a great man who is having a very happy reunion with his parents and brothers. We love you. Jim and Cindy Gregory & Family and Erma Wolfley and Family

We enjoyed having him as guest speaker several times - the last time, even tho he really wasn't up to it, Edith brought him to our meeting to be our speaker. She was such a good caregiver for him. Terry was such a blessing to everyone he came in contact with. He enjoyed sharing his knowledge. We welcome you to our club meetings the 4th Monday evening at 7 p.m. Nikki Yeager 239-564-2005 Terri Lazar, President

“ I am sorry to hear of the loss of Terry. I really valued his friendship when we lived in Homestead, FL during the '80s. Last fall, I suddenly discovered that, Paul Kisel, a mutual amateur radio operator friend in WA, had been close friends with Terry for several decades! I renewed my contact with Terry through e-mail and will miss my communications with him. RIP.

“ I met Terry at radiation daily last spring and just his attitude helped me. Always positive even when obviously hurting. I know that all who Terry came in contact with could feel his love for life and especially gardening. Miss the smile Terry.

“ I used to visit the Extension Office from time to time. When Terry was there I would come to the front desk and tell him something was wrong with my Cannabis sativa bush. He would straight faced say, "Bring the thing in and we'll smoke out the mystery!" We would discuss books we liked and our experiences in the military. Sometimes, when I was pressed for time, I'd avoid talking with him because our conversations were so darned interesting I'd lose track of time. I will miss him as will everyone who knew him. “ My condolences to Terry's family. Terry taught us many wonderful things about gardening and related areas at the meetings of the Pine Island Garden Club. He never needed a microphone with his big booming voice--and he always captivated the audience with his lessons and lecture style. We will miss him greatly.

“ On behalf of the Pine Island Garden Club, we would like to express our condolences on the loss of such a great person. He was a treasured member of our organization and will be greatly missed. Terry lite up a room when he entered it and added greatly to the beauty around Lee County. Alot of the beauty of this County can be directly attributd to Terry.

“ Dear Edith and family, I am so sorry to learn that Terrance has died. He meant so much to so many people, including those of us in the library. He'll be missed by many but most of all by you and the rest of the family. Because I am in Illinois this week, I will not be at the memorial service. I will be there in spirit. I am sending loving thoughts and encouragement your way. Much love, Leta

“ I was so sorry to hear of Terry's passing, and my heart aches for Edie. I knew Terry before I knew Edie, and I enjoyed working with me as he supported the East County Regional Library as both a board member and a computer coach. I met Edie when she joined the Riverdale staff, and she is one of my favorite people. I wish her strength, and I hope she remembers that she is in the thoughts and prayers of her many friends.
