“ *Condolences to Teri's family and friends. I was so thrilled to be reconnected with her earlier this year as I initially met Teri through Janice Toler in the early eighties. She was always upbeat and her laugh was so very infectious; making her the kind of person you wanted to always be around. Such a Beacon of light for many people! RIP beautiful soul.*

“ *Skip, William, Marlin, Linda, Shirley, Tom & Mark - I am so sorry for the loss of your wife, mom and sister, Teri. She was such a beautiful soul and I am happy to say she was my friend. I know you are all feeling so sad and lost right now, however nothing you love is lost. Not really. Things, people—they always go away sooner or later. You can't hold them anymore than you can hold moonlight. But if they've touched you, if they're inside you, then they're still yours. The only things you ever really have are the ones you hold inside your heart. Teri will forever be in all our hearts! You are all in my thoughts and prayers.*

*I met Teresa "Teri" the first time in 1972. She was 15 years old and in High School. I gave her, her first job in the Publix Deli. She was a sweet Girl then a very young age. I didn't hear from her again until a few months ago. And Lord what a great Woman of God she had become. She told me of her Book and it was about to be finished. So I ordered one of the first, and all I can say is it was as awesome as she was. God Bless her Family and all the Close Friends and people making such good remarks about this Lovely Lady. Good By Teri until we meet again.*
