“ *Teresa you and I have been thru the thick and thin, I never know why things happened the way they did, every day i am on this beach without you it kills me slowly inside, I understand why you lefted me but I will never understand why you lefted this world, You were such a beautiful person and I will forever miss and love you, I play your songs all the time and I go to our special place on the beach all the time every night, wish you would come sweeping in the way you did before. I know you are in a better place, and I know you are looking down on me now, may you have the peace you deseve, I love angel face j*

Nick, you don't know me but I am a very old friend of Teresa's. I have been looking for her for a long time. She was my best friend at a very critical age in my life. Please let me know what happened? I hope she is at peace.

“ *Dear Family,
I am so sorry to hear about your loss of your dear love one. What is so wonderful is, you can see Theresa come back to life, perfect on a paradise earth. Then you will have a marvellous sensation of joy and exhilaration. Jesus said: "The hour is coming in which all those in the memorial tombs will hear his (Jesus) voice and come out..." (John5:28,29) None of us has ever seen such a thing take place, it will surely be one of the grandest of "the things unseen". (2Corinthians 4:8) There is so many more wonderful things that will come to be. Hold on to this hope, it will sustain you through the hard moments you may go through.
Sincerely Yours, Judy L.*
