“ *Terry was so kindhearted, with a terrific sense of humor and a clear sense of purpose. And of course, that wonderful brogue. When I first met her, she gave me one of the firmest and confident handshakes I ever experienced. I knew right then that she was the real deal. She extended her love and generosity to me and my family. I am deeply privileged to have known her. Now she and Poppy can rest in peace. Terry closed every conversation we had with, "God bless." God bless you, Terry.*
