“ Cindy, I couldn't get ahold of Terry. In my heart I feared the unthinkable. I just found out it was true. My heart is broken to have lost such a dear friend. Terry's wonderful, loving spirit will be with me forever. I loved Terry as I know so many did. I can't imaging the depth of your grief, Cindy. I hope you will find comfort in the many years you had with this wonderful man who loved you so dearly. May you find peace in God's grace through this difficult journey. Terry will live in our memories always.

“ Cindy and family, so sorry to have seen that Terry had passed. Working with him for many years was ever so much fun. His care and compassion were unmeasurable to the people he worked with and his many, many clients. May God be with you all at this time and may he forever be remembered for his dedication and love of family.
