“ Terry, my little brother, I'm sitting here today waiting on a phone call from you. which I know I will never receive. I will miss all the chats that we had almost everyday on your way home from work. I know you was looking forward for Christmas and retiring, God called you home early . You will be celebrating a beautiful Christmas with Jesus and He has prepared a wonderful retirement home for you. Rest In Heaven my little buddy. Your big sis

Deb Colley - December 22, 2015 at 03:24 PM

I worked with this fine gentleman. From his Enterprise Electric family We hope the family finds peace in this difficult time.
