“ *You are loved, you are missed, and you will always be in my heart. My beautiful Sister. You never saw your own beauty, only the beauty in others, but that was your reflection looking back at you. Now you are with God you can see what we saw in you. God's grace to all who knew you.*  
*Love from your Sister*

“ I remember when Theresa had a child care in her home, a divorced Mom, with 2 children, at that time. She could only take 5 and didn't charge very much. When I questioned her about the amount she said these people don't make a lot of money. When 2 little brothers she kept, their home burnt down, she took them and their parents into her home. They stayed there until it was restored. Theresa was all heart, giving, a beautiful daughter, and a great Mom, this is how we will always remember her. Love you, mom and dad
