“ *To Thomas' family & friends I extend the sincerest sympathies on Tom's passing. I am representing the Facebook group "Fish Tales" (67~69 Plymouth Barracuda), for which Tom was an administrator of and welcomed many of our new members to our group. It was recently discovered of his passing, and little did I know that his hometown of Loretto is just a half hour away from me. No doubt he was a good soul taken too soon and our 1,900 members send their condolences.*

“ I met Tom many years ago thru his cousin Kathy Terry and we became good friends. I always asked how he was doing and finally I joined FB and that is where we reconnected. His cousin Kathy and Roy wintering in Florida gave me an opportunity to visit and the chance to see my old friend Tom. It had been over 50 years and his little brother was with him - which he was not a little brother as I remembered him. It was like we just saw one another the other day. Down memory lane and a wonderful visit. Tom said Kevin lets not wait another fifty years - I was in an agreement for that. I am so thankful his cousin Kathy Terry Langworthy got us together - I will forever think of you Tom and I am so at peace that we saw one another again - I will cherish the picture I have of you, Kathy and myself together, Prayers to your family for peace and strength during this difficult time, Tom you fly with the angels buddy - your are now in God's hands now and with the love ones who been waiting for - Forever.

“ Tom was always supportive of Andrea and my shenanigans. He took care of my babies anytime I asked and my dog Allie loved going to Tom and Andrea's to stay. Tom was her favorite. Tom was a lot of fun and a great guy who's going to be missed very much by many! Heavenly hugs Tom.

“ Thomas.....you were so many things to so many people: a loyal friend, a veteran, a hard worker, a believer, and most of all, you always put family first. I will miss out talks about how proud you were of your children, and grandchildren, and I will definitely miss your ability to tell it like it is. Our loss is Heavens gain.....till we meet again, my friend.....Godspeed!
