“ I miss you tremendously already Uncle Tom. You have always had a special spot in my heart. When I was at the lowest time in my life My Uncle Tom was there for me and my son. I might not have been the happy, successful person I am today had my Uncle Tommy not have been there for me way back then. For 50 years I've heard that Tom Truscott would give a "friend" the shirt off his back...true then and still today. I know you are at peace now with the Lord, Audrey & Russell Truscott and you're now an angel in the drum Corps of heaven.
