“ *Uncle Timmy I will miss you so dearly and hold you so close to my heart and memories as I remember the times you would call me at 2AM just to talk about nonsense, what my future plans would be, and how much I reminded you of my mother. You would always send me words of encouragement when I was down and send me a quick text during the holidays. I love you so much and wish our time on this Earth could've been longer but I know you are at peace and reunited with Poppop and that gives me some closure 📍*
