“ Tita aka Buela,

Thank you for always making us smile! No matter what you lit up the room with your presence. The girls, Pedro & I will forever treasure every moment we spent with you. From the moment Pedro introduced you & I to each other you told me that I would one day be his wife... Well, although your sickness took over & you were not able to make it to our special day we all know your mind was with us. I went to visit you the day after our wedding & you woke up just long enough for me to show you some beautiful photos that were captured. Your smile made it all worth while. The fact that I got to show you all of the pictures & you knew that before you left us him & I tied the knot made me so happy! Thank you again for always being you. Such a strong woman, a great example for all of us in the family. You mean the world to us & your spirit will live on guiding us in all decisions we make for our future. You are now our angel watching over us & the kids. We love you so much. Que Dios Te Bendiga <3

Love always,

Jessica, Pedro, Kaylee & Avaleigh

“ Tia Tita you were an amazing woman. You were an Angel sent from God. You could never ever do no wrong. Even though we did not want you to leave. Your work here has finished. You are now home. I love you and will never forget you.
