

Toni Lyssett McEnery

December 23, 1976 - November 25, 2019

Toni was unconditional in so many ways in her life. She was a loving and devoted wife to her best friend, an amazing and unyielding mother to her three children and a passionate friend to many. She was a gifted singer/ songwriter who captivated her audiences. She shared herself to those in need and helped many with their struggles. She was an intelligent straight A student at F.S.W. College as she continued to educate herself and better her life skills. She was creative, authentic, and sassy and to those who knew her deeply continue to be in awe of her strength, courage and tenacity for life. Her character spoke for itself as she was open, honest and compassionate to those around her. Her smile lit up a room whenever she was present and was wise beyond her years. Through her fight with leukemia she was the bravest even when she thought she was weak. She never gave up. She was our hero. She was a true hero, one who gave all of herself whenever possible. She intuitively knew the good in others and expressed it. She may be gone from this earth but will live forever in the hearts of all she has touched.

She is survived by her husband Scott Timson of Lehigh Acres FL. Her children Danielle McEnery of Cape Coral FL., Justin James of Lehigh Acres FL. and Christian Timson of Lehigh Acres FL. and her sister Beth Osterhaus of Jacksonville Beach FL.
