“ *Tyler this is so hard to hear the news. I wish we could of had one more talk about life. We used to watch comedy skits and song parodies. Remember when we'd drive around singing Kevin gates songs on the top of our lungs? I'll miss you and won't ever forget you.*

“ Tyler was so very close to my heart! He dropped everything he was doing to make sure I wasn't alone in my darkest times as I did the absolute same for him. It didn't matter what time of day or night he and I always were one call away for one another. Our comfort always resorted to a pan of pizza rolls and trailer park boys (even though I never really liked tpb) it always brought me comfort. Even though Tyler never made it to the big league he was always the best comedian around!! I honestly hope he's able to look down and see all the nice things the people that care about him are saying. Tyler was a great person with an old soul. He was always my go to. Tyler deserved better than this world could ever offer. He was taken FAR too soon. Rest In Peace Tyler your name will never be forgotten.

“ Tyler, you will be truly missed! You were like a second son to me. I pray that you are in heaven singing/rapping as you did here on earth. I remember how you would walk in and always speak and I will forever hold the memories you and my family had. I know Tuna aka Anthony misses you. This is all very hard and so unexpected! Tyler, please watch over your friends and family here and I hope you light up heaven as much as you did for all of us! I guess, God needed a bright light and he surely got one in you. You are truly missed and loved!

“ Tyler and Anthony and my two sons grew up together. Many lasting memories were created from their time shared. Wrestling matches, football in the backyard. He has given us all many moments to reflect on and appreciate My deepest sympathy to the Panzer Family. When loved ones passthey never pass away, but pass deeper inside us, closer to our hearts to further inspire us...Keith Wilson
