“ It is hard to comprehend that you have finished your earthly assignment mom. The fast fruit of your existence spans the U.S. in such large numbers. The Lord commanded us to multiply and oh you accomplished that with such delight and with a love so rich. Thank you mom for teaching us how to live life on purpose and to love not just your family but all those who are put in your life's path. May we all love on purpose and multiply with the zeal you taught us!

See you in the sky mommy when Messiah comes for us at the great catching away! We so look forward to eternity with you, dad and our eternal family!

With forever love,
Your middle girl, Barbara and her husband Paul who dearly loved you...

You kids had a special mom, bet she always kept tabs on you all. The more she had loved you , the longer you miss her Romans 8: 24,25.
