“ Dear Family of Vicky,

Vicky took care of my Mom Alma Dreyer at Windsor Place from 2003 until her death the evening of May 22, 2008...5 years of friendship and love. Vicky always had a smile on her face, and my husband and I knew Mom was in wonderful, caring hands with her.

The night Mom went to heaven, Vicky was right there with us, and Mom was in hospice care, but I wanted her to be in her last home at Windsor so she would feel COMFORTABLE. Vicky told me not to leave as Mom's ears were collapsing, and she knew long before anyone else that the body was shutting down for good.

I could not bear to tell Mom it was all right for her to go because I feared the guilt I would feel. Vicky to the rescue. She calmly told Alma it was all right now..everyone here on earth was ok. I climbed into bed with Mom as she did not want to be alone and she passed so peacefully.

Vicky said there had been a tragedy in her family shortly before, and she got out of the room...very emotional and crying. Vicky knew how to do what needed to be done so well.

WE ALL LOVED HER WONDERFUL SPIRIT. SHE WILL ALWAYS BE IN OUR THOUGHTS AND PRAYERS AS SHE WAS AN ANGEL BEFORE HER TIME; HUMBLE, LOVING, CARING, AND A CHILD OF GOD.

JUST KNOW VICKY IS WITH ALMA NOW LAUGHING AND OUT OF PAIN, AND WE ADORE HER AND REMEMBER VICKY AS A BLESSING TO ALL WITH WHOM SHE CAME IN CONTACT. SHE DID GOD'S WORK SO WELL.

Our sympathy AND our best to you and Vicky's family. She was not on this earth long enough, but she attained sainthood to us because she was so wonderful.
