“ Grandpa-It's only been 3 days and I already miss you so much! I just want to pick up the phone and call you, to hear your funny jokes, hear how you're doing or hear you say you love me. I have so many wonderful memories of you, to share with my children. I count myself very lucky that you got to meet them. Give Grandma a big kiss and hug for me, I love you both more than anything! xoxox
