“ God bless you Victor. You spoke to me with open arms from day one (all of your conversations included free showers lol) but I never could be upset about. Facebook calls that showed me I was family to you. You will be missed my brother. Sorry I didn't get to say bye but I know I will be able to see you later. God bless you Victor.

“ *Leaving the mall one afternoon you and my dad popped in a cassette tape, threw the car in park, got out and started dancing to "woop there it is". You always had the biggest smile and gave the warmest welcome, Junior you will always be the best fun loving, radical uncle I could of ever had.*
