“ *Mr. Coppola has been the kindest and sweetest man I had the pleasure of meeting and getting to know as he would bring in his wonderful little Charley dog to our clinic. I was fortunate enough to see him and spend some time with him in his final hours and I hope he realized how much he impacted me and my life. My deepest and sincerest condolences to his family and especially his wife Rose who never left his side and was the rock that held the family together. I will miss him dearly and am so sorry. I love you all.*
