“ Sis, I love you with all my heart. I'll be here for you whenever you need me; any time day or night. You are not alone. As you know I would see you guys once a year. Vinnie would always welcome me. From the time I spent with him I can tell you he was a good man, a kind man with a soft heart (he would deny that of course). He would help anyone who asked for it. He would tell me that he loved you even through you were stubborn, I would look at him and say "look who's talking" and he would give me that grin of his. As you know he had his faults as we all do but he was loved by many. I'll always be here for you Sis. I love you!!

“ Linda, I'm so sorry for your loss. I'm sorry that I never got to meet my father-in-law. It's something that will bother me forever. You always think you have more time and then its too late. From what I hear, he was great friend, husband and father. He will be missed. My thoughts and prayers are with you. Wendy
