“ We were very saddened to hear about Vinny's death. He was someone that really lived every day to the fullest. His love for sports, his determination to beat all odds and his incredible spirit is what made him unique in this world. While I know that words are only a small gesture of support, I want you to know that his spirit has touched many people's lives as it has ours. You and your family are in our thoughts and prayers. It was a pleasure to have known him. Our deepest sympathy, Dean, Janie and Morgan Schreiner

“ Dick, Paula, Brian & Mindy, Our hearts go out to you at this time of loss. We feel so blessed to have known Vinnie most of his life and recognized even way back then what a great individual he was going to grow to be. He had to grow up way before his time, but handled his situation with such strength and wisdom. I will always see that little boy running down the football field or around the bases with the biggest grin on his face and the then to see the fine young man he became. He will always be the bravest person we have ever known. We love ya'll and our prayers will be with you.

“ He was one of those guys who always found saw the good side of things. And so FUNNY! I only knew him as a teenager. My youth pastor and I came to the house and visited him in the hospital several times. Always a smile on his face. Those of us who met you were better because of it. Thank you!

“ Having viewed the YouTube photo gallery, it is very clear that Vince loved, and was loved, and will be enormously missed by those who were fortunate enough to have known him, and whose lives were positively impacted by his (much shortened) time on this earth. God Bless you all and grant you peace and strength to endure your grief.

“ My thoughts and prayers are with the entire Hanley family. I feel very blessed to have met your son through Heather. His independence, determination and spirit was so inspirational. The volatiale world that stares us in the face each day, would be much more tranquil and enhanced for the better if we adopted and put into practice even a fraction of Vinny's philosophies that he adhered to and the examples he set. May God bless and be with you.
