“ *It has been 7 years since Virginia passed away. I felt the need to post a remembrance of her today. Virginia touched my life in such a positive way. I still miss her, and her beautiful smile.*

“ *There are many fond memories I have of Virginia, but one I will remember often is her friendly and warm smile. She was also a very generous and giving person. She had a compassionate heart for others. She was always mailing small donations to charities. I used to criticize her for doing this, since she needed the money herself. But this was her way of giving, and something she wanted to do.*

Virginia left us much too soon. She was my best friend and I miss her very much.

*Love always,
Patrick*
