“ *I remember the look on her face when she won a tournament she was playing in. That smile was priceless. I will always remember the awesome conversations we shared. RIP you beautiful soul ❤️

“ *I remember her last birthday at Fishermans and she was so happy to have had the great turnout of Friends and Family to wish her a happy birthday. She was so humble saying you didnt have to do all this for me. All our love to the Entire family. Love Danny Brandi and Girls.*
