“ My deepest condolences to the family and many friends of Walter. He will be missed immensely. Walter spent countless hours throughout the years serving the North Port community and he was especially dedicated to running the Toys For Tots program. He made sure that every family in need received toys for their children and at times even delivered toys on Christmas Day. He was a proud Marine and remarkable person who exemplified the true meaning of volunteering. Thank you for your service Walter and I will miss you dearly. Rest in peace my good friend.
