“ *I will never be able to make my spinach dip again without thinking of Skip. If he was at the party I was not allowed to come unless I brought it. He told me it was the best ever and the joy he showed when I sat it in front of him will be missed.*

“ *Will never forget our trip to Alaska and when we had some laughs visiting the doctor. Skip was having a hard time seeing and I had an eye problem from the cold - we were quite a team stumbling our way in to a clinic and getting back to the ship.

“ Dear Dee, Marjorie and Heather,
My heart aches for you. I am so very sorry for your loss of your husband and dad. I have very fond memories of Skip from years ago and he has always been close to my heart. Dee and I were friends in the '70s and when Skip met Dee he fell in love literally within a heartbeat. He was so smitten with Dee that our friend Carol Turner and I would lovingly call him "Skip-Down-the Aisle". That man was "in love" and he was determined that he would marry his true love, Dee. We shared a lot of good times over the years... their engagement party, wedding, discos, canoeing on the Peace River, going to Jimmy Buffet concerts, boating, bar-b-ques on the beach, scuba diving lessons in Mickey's pool, quality time with Dee's sister and brothers, watching them have their girls, chewing the fat with Skip after his bike rides and so much more. He was always so upbeat and positive. It was a joy to spend time with such good friends...over all these years. I will miss you Skip and know that in the quiet times, and in the corners of my day, I will think of you, miss you, and wish your loved ones happiness. XO, Y

“ We love you all so much. I love hearing all the stories Bill tells about the "early" days with The Edwards Family (he's got some great ones about doing tile jobs for Skip!!) Skip was/is such a blessing and has taught us all many things..especially how to be a stand up person and just keep on going and giving it all you've got. Thank you God for the time you gave us all with Skip...you just received one of your greatest treasures to be with you eternally. Gob Bless you guys.
