“ Ray was always making people laugh. He spoiled his grandson Jake and gave him lots of love. He may be gone on now, but I will always remember him laughing and smiling. Rest in peace Ray.

Ray was a wonderful grandfather and always a good provider. I'll always love him. When it was all said and done he did do the right things to amend any wrong he burdened anyone with. Before he knew he was leaving this earth....so in the end those wings he earned.
